25X1 11. [ ] Met with Mr. John R. Blandford, Chief  
Counsel, House Armed Services Committee, and received from him  
copies of H. R. 6483, a bill to provide authority for appointment to  
the grade of general of Marine Corps officers etc., which was  
introduced by Messrs. Hebert and Arends on 22 March. Mr. Blandford  
told me that he foresees no real problems for this bill on the House  
side but that as Mr. Hebert had indicated to the Director, Committee  
workload on the military procurement bills will preclude handling of  
any bills of this type in the Committee until the latter part of May.  
25X1A [ ] O/DDCI, has been advised.

25X1 12. [ ] Received a call from Mr. Thomas  
Graham, Assistant General Counsel, ACDA, who told me that he  
is doing a legal study for the Director, ACDA, regarding inspection  
under international agreements by national means as controlled by  
international law and inquired whether our Director's office has  
reviewed the same subject matter. After checking with Mr. Warner,  
OGC, I advised Mr. Graham that we have not. No further action is  
required.

## Remarks:

The attached bill was introduced on 22 March. I discussed it today with Russ Blandford who feels that there will be no major problems in handling the bill on the House side. The Committee workload in processing the defense procurement bills, however, will preclude Committee action on this bill until the latter part of May.
